General Information

Seating Capacity:

Mildly raked house with no balcony. Seating is 546, including 8 wheelchair spaces. Please note the theatre must be notified in advance if any wheelchair seats are sold.

Loading Facilities:

There is no loading dock. The Scene Shop has a loading door (10'-4" wide x 11'-3" high) at grade level with unimpeded rolling access to Stage Left. Distance from loading door to Stage Left = 30'.

Parking:

An onsite parking lot with 180 spaces is located just to the east of the performing arts center. Use is free. Please note that no onsite parking is allowed from 7am-2pm during the school year.

For overflow parking and events during the school day, please park in the Renton Municipal Parking Garage, free for two hours, on the corner of Burnett and 2nd Street, only a half block away.

Crew Information:

The house production staff consists of local trained stagehands supervised by a full-time Technical Director. Depending on the needs of your event, we will staff highly trained lighting and sound technicians in the booth and on-deck crew. Renton High School, located adjacent to the theatre, provides student Interns for appropriate events. Interns are supervised at all times. Please note only IPAC staff and interns may operate the lighting, sound and rigging equipment in the theatre.

Alcohol Policy

Due to school board policy, there is no alcohol allowed anywhere on the theatre grounds. Failure to comply with this policy is grounds for discontinuing event and fines.
